FRUIT OF THE LOOM®

EUROPE'S *HOTTEST*

Europe's best-selling T-shirt and our flagship product. With high-quality Valueweight fabric at its core, it's clear to see why this T takes centre stage.

What's more, this range keeps getting bigger and better. Three great new styles for 2011 mean we now offer 16 in total, including four for kids. Look out for the new

Tank Top, Lady-Fit V-Neck T and Lady-Fit Long Sleeve T.

Each garment is made from 100% cotton Belcoro® yarn for a softer feel and improved printability. With premium styling details, a fine knit gauge and an extensive range of colours, it's no wonder the Valueweight T is Europe's hottest.

**Any T-shirt is only as good as its yarn.
That's why we only use the best – Belcoro®.**

As industry *pioneers*, it may not surprise you to learn that thanks to a unique manufacturing process, we're the **only** imprint brand that uses Belcoro® yarn – setting a new standard in softness and *quality*.

It's just another example of how our T-shirts *stand out* from the crowd, offering a cleaner and more stable printing area and fewer loose fibres. This means better quality printing, **improved** washing **performance**, less pilling and more durability.

All our yarns are rigorously tested by renowned German company Schlafhorst. Only when it is awarded their independent mark of **quality** is it good enough for **Fruit of the Loom**.

THINK *SMART*

WORK SHIRTS
THAT ALWAYS
WORK
OVERTIME.

Our work shirts are as tough as they come. Hardwearing, cotton rich fabrics that are easy to care for. Casual Poplin and formal Oxford styles, all available in matching colours for men and women.

Like all our range, we put a lot of focus on the quality of the base fabric, which is why for our Oxfords we use a highly durable 2x2 weave fabric normally seen in high-end shirt tailoring. The result is a less transparent, better quality product that's more effective to print on.

SWEATSHIRTS *THAT CAN* **HANDLE** **HARD** **LABOUR**

100% COTTON FACING FOR 100% PERFORMANCE.

We know you demand quality from your sweats. Thanks to a revolutionary knitting process at our new manufacturing plant in Morocco, our sweatshirts now work harder than ever. The technique keeps the polyester at the back of the fabric and the cotton at the front, creating unbeatable pilling performance and a sweat that lasts longer.

High quality polyester yarn means our sweats are less likely to shrink, while the addition of Lycra® to the hems, necks and cuffs allows for repeated washing without losing shape.

KIDS ARE *IN* **SAFE** *HANDS*

Our kids' range isn't just about the little ones. Adults enjoy added peace of mind too. We work tirelessly to ensure every single garment conforms to the latest E.U. safety regulations.

Drawcords and toggles have been removed and the Toddler T has been individually metal detected. What's more, all our garments feature the Oeko-Tex guarantee – meaning nothing harmful is used that could affect kids' sensitive skins.

We don't stop there, though. We constantly monitor legal requirements to ensure we're bang up to date with new legislation.
